BIG CROWD AT ATHLETIC PARK

MARINES AND C. A. C.
NINES ARE WINNERS

Portuguese Shut Out by Half-Wets
—Chinese Beat J. A. C. 6 to 3
—B. Yamashiro Pitches for J. A. C.

Yesterday at the Athletic Park the ball fans were treated to one really good game of baseball, and one weak one. The first game between the Marines and Portuguese was a beauty up till the seventh inning, when the Marines scored two runs that were started by the error of shortstop Fitzner of the P. A. C. team.

If short had not missed a fly and then had not made things worse by a wild throw to first, it is doubtful if the Marines would have scored, and the game might have gone on for more than the nine innings. As it was the game ended 2 to 0 in favor of the Marines.

Peyton pitched good ball for the Marines, and the victory of the half-wets was popular with everyone. The fair fans from Camp Very were in the grandstand and they were very elated when the Marines won. Every Sunday several of the officers' wives attend at the Park, and they are great rooters for their team. The Marines have improved a lot and, although Weidmann "the poser" had to drop out of the game yesterday owing to an injury, the boys won out safely.

There was a big crowd present and the first game was much enjoyed; the second was fierce at the start and although the C. A. C. was a man short, and had to play En Sue, who should be laid up in bed with his bad knee, they hit up three runs in their first inning, and were never in danger afterwards. The J. A. C. managed to get one run in their second inning, but the Chinese again scored three men in their third. The C. A. C. did no more scoring, but the Japanese added one in their sixth and one more in the ninth and the game ended 6 to 3.

Yamashiro was in the box for the J. A. C. and, although he gave four free passes, he did well everything considered. He also scored one run for his side by making a clever dive over the plate and beating catcher Ah Toon.

It was a treat to see a couple of Japanese on the J. A. C. team which, as a rule does not have a representative of the land of Nippon in the field. The defeat of the J. A. C. was hardly expected as they are leading in the series; however they did not seem to care much how things went, and even with yesterday's defeat counted in, they lead the other three teams.

The official scores are as follows:
C. A. C.—Runs, 3 0 3 0 0 0 0 0—6
B. H. 1 0 1 0 2 0 0 0—5
J. A. C.—Runs, 0 1 0 0 1 0 0 1—3

CRICKET.

GOOD GAME AT MAKIKI GROUND

HONOLULU C. C. DEFEAT
DAVIES & CO. BEST ELEVEN

Bob Anderson Makes Good Score—
Brown Does Best for Davies—
Hatfield in Great Form With Ball.

On Saturday afternoon the cricketers got busy and played a match on the Makiki ground. The Honolulu Cricket Club went up against the Davies & Co. eleven and defeated them by a score of 114 to 80. Of the H. C. C. total, Bob Anderson made no less than 71, and as the byes amounted to eight, there were only 35 runs made by the other ten men—an average of 3.5 each, which can not be called brilliant.

Of the Davies total, Brown hit up 33, Bailey 18, "Mr. Byes" 11, and the rest of the eleven did not reach double figures. John Bull—of a previous—made a goose-egg, and the only other batsman to make anything worth mentioning was an old-time player, St. C. Pinaula, who hit up seven runs. Pinaula learned the game in England, and a few years ago was a constant player on the Makiki ground.

On Saturday the H. C. C. batted first, and Deerr and Baird opened the ball for them. Hatfield did the bowling from one end, and Brown handled it from the other. The former trundler got seven wickets for a small total, and Brown took the other three batsmen's lives.

Bob Anderson soon got going when he went in, and most of his hits scored four. He hit freely all over the field, and his drives were tremendous. One hit landed on the street, and in the hands of Kia, but as the ball was caught out of bounds, Anderson continued his career at the bat, till he had hit up 81 runs. He gave a couple of other chances, which were not taken by the fielders, but still, his exhibition at the bat was a good one, and everyone was sorry when he was caught by Maclean, of his own side, who was fielding substitute on the Davies eleven.

For Davies & Co., Cullen and Bull opened the game, but the latter was quickly sent to the rightabout before he had scored. Archie Robertson went in and soon hit up a couple of runs, and then, in trying to pull one from the off stump to leg, was clean bowled. Kia, another baseball player, made one before he hit into Bob Anderson's hands. Brown was the only one to get going properly and he hit up 33 runs in good style and carried out his bat. The full scores were as follows:

MILITARY LEAGUE.

FOUR GAMES IN ALL PLAYED

GUARDS FORFEITED ONE
MATCH TO FORT RUGERS

On Saturday and Sunday the military league continued its series, and four games in all were played. One of the games, however, did not count in the series, as it was only played after the regular game had been forfeited. It happened that the N. G. H. team was two men short, and it had to forfeit to the Fort Ruger boys. Then, afterwards, the Hospital Co. loaned the Guards two men, and a game was played against the Rugers. It ended in a victory for the N. G. H. by a score of 5 to 5. It was too bad that the Guards did not have a full team on the field, and it is hoped that it does not occur again.

The other game yesterday was that between the Hospital Co. and the Fort Shalters, and it ended in a win for Barry's Beasts by a score of 3 to 0. The line-up of the Hospital Co. team has changed a lot, and many new names are on the list.

Bolous is still pitching for the Shalters, and his arm seems to be keeping well. He struck out seven men yesterday and walked one. Williams, who pitched for the Hospital Co., struck out eight and gave no free passes.

The Saturday games were also played at the league grounds, and a fair-sized crowd watched the struggles. The first game was between the Fifth Cavalry and the Marines, and it ended in a victory for the half-wets by a score of 5 to 2. Gibson was in the box for the Marines, and Sinclair did the catching. The battery was a strong one and the pair did good work.

The Marines scored in the fifth, sixth, eighth and ninth innings, and the Cavalry made their two in instalments—one in the first and the other in the fourth. Bell and Robinson formed the battery for the Cavalry, and did as well as they could under the circumstances.

The second game on Saturday was put up by the N. G. H. team and the Fort Rugers. It ended in an easy victory for the Guards by a score of 8 to 1. The N. G. H. boys started things going by making three runs in their first, and quickly followed that up with three more in their second. The Rugers made one in the first also, and then there was no scoring for four innings. The Guards made two in the seventh, and that was all the scoring done.

The military series still keeps going strong, and the greatest interest is taken in the league by the men of the service. Owing to counter attractions, the crowd does not attend at the league grounds on Sundays, and on Saturdays there are not many people who can get away from work to see a baseball game.
